Education

•Indian Institute of Technology, Jammu *July. 2025 – July. 2027*
Masters of Technology in Computer Science and Engineering; ***GPA: 9.72*** Jammu, J & K, India

•United College of Engineering & Research *July. 2020 – July 2024*
Bachelors of Technology in Computer Science and Engineering; ***GPA: 8.76*** Allahabad, UP, India

•Boys' High School & College, Allahabad *July 2018 – July 2019*
Council for the Indian School Certificate Examinations (12th Standard); ***Percentage: 93.4%*** Allahabad, UP, India

Experience

•Asian Institute of Technology *Aug. 2023 - Sept. 2023*
Intern Bangkok, Thailand

– Participated in an international exchange program focused on Python programming, database management etc.
– Gained hands-on experience in developing applications using Python.
– Explored entrepreneurial practices through team projects with peers from diverse cultural backgrounds.

Projects

•CertForge: End-to-End Secure Chat *February, 2026*
Dept. of Computer Science and Engineering, IIT, Jammu Github

– **Tools & technologies used**: Python, VScode
– Developed secure chat using RSA+ECDHE ensuring forward secrecy, mutual authentication.
– Implemented AES-256-GCM encryption with PKI validation, rekeying, replay protection.

•RaAHH: A Healthcare Platform *Jul. 2023- May 2024*
Dept. of Computer Science and Engineering, UCER, Allahabad Github

– **Tools & technologies used**:HTML, CSS, JavaScript, React, Node.js, TailwindCSS, MongoDB, AI ,Python
– Built a digital healthcare platform for easy appointment booking and specialist discovery.
– Developed a dedicated women's health module supporting menstrual care and specialist access.
– Enabled reliable doctor-patient relation with feedbacks, appointments.

Key Courses Taken

• C Progamming, Python, Data Structure, Algorithms, DBMS, Operating System, Computer Networks, High Performance Computing Systems, Software Engineering, Information Security, PRML, Probability, Linear Algebra

Technical Skills

• **Programming:** C, Python, Java , JavaScript
• **Tools & OS:** Git, Github, Jupyter Notebook, Google Colab, Windows, MacOS
• **Libraries/Frameworks:** React.js, Express.js, TailwindCSS, Bootstrap
• **Web Skills:** HTML, CSS, Javascript, Node.js, MongoDB

Achievements

•Scored perfect **10/10 SGPA** in **2nd Semester (M.Tech).** *2026*
•Secured **All India Rank 1726** in GATE CSE 2025 (out of **1,70,825 candidates**) *2025*
•**TCS Codevita** Season XI **Global Rank 1381** *2024*
•**Final-year Project** ranked among department's **TOP 10** *2024*
•Selected to represent college at **AIT Bangkok** for 2023 **Internship program** *2023*
•**1000**+ questions solved on **Leetcode**.

Positions of Responsibility

•Teaching Assistant - Data Structure and Algorithms, C Programming, IIT, Jammu *Present*

– Conducted tutorials and doubt-clearing sessions for first year B.Tech students, simplifying complex concepts.
– Assisted with grading assignments and exams, providing constructive feedback.

•Vice President - United Youth Parliament, UCER, Allahabad *2022*

– Managed organization, candidate selection, and promotion for district-level youth program.
– Anchored the United Youth Parliament event, leading sessions and engaging diverse audiences.

Certifications

• Python for Data Science, AI & Development *2021*
• Udemy Certification - The Complete 2023 Web Development Bootcamp *2023*
